Date:

Oct 2 2018

Time:

11:30am - 12:30pm

Place:

Mississauga Convention Centre, 75 Derry Rd. W, Mississauga, ON L5W 1G3 Hall: Salon F

Language English

The world is going wireless. From IoT to personal communications to medical devices and beyond, wireless is being used more and more as the communications vehicle of choice. Are you using or considering using pre-approved radio modules?

Learn how in this seminar. www.nemko.com [1]

Gilles Phillion, Director of Sales Nemko Canada

Gilles has been working in the field of regulatory compliance since 1988. He specializes in regulatory requirements and market access for wireless devices.
