In June 2019, Nemko will arrange a two-day event related to international market access requirements in technical standards, the regulatory situation and processes involved to gain market access worldwide.

The 2019 event will be the 25th annual seminar hosted by Nemko. This year is also very special as we are able to invite all participants to our brand- new headquarters!

Read more about our new HQ [HERE](#). [1]

The Nemko seminar in 2019 will be held at [Scandic Fornebu](#) [2], which is a uniquely situated meeting and conference hotel with great views of the Oslo fjord. Scandic Fornebu and Nemko's new HQ is located in the same area on the west side of Oslo, just 45 minutes from Oslo Airport at Gardermoen and only 15 minutes from Oslo city centre.

The participants and the speakers at the seminar will come from all over the world and represent a range of companies from several different industries.

Your participation at this seminar will give you a valuable opportunity to get in touch with people in your industry and with similar daily challenges.

## Here are some of the topics from the seminar arranged in June 2018:

- Wireless communication
- Software and data security
- Regulatory requirements worldwide (USA, Canada, Mexico, South America, Russia, Saudi Arabia etc.)
- Environmental worldwide issues
- Update on international certification schemes
- Experience from a customer working with Nemko
- Requirements in the United Kingdom after Brexit
- Technical sessions (IT/AV and household appliances)
