

## March 7, 2019 - Eptech Seminar - RF Modular Approval – what you need to know for your end device

Date:

Mar 7 2019

Time:

10:00am - 11:00pm

Place:

The International Centre, Hall 5, Aviation Ballroom 6900 Airport Road, Mississauga, ON L4V 1E8 Hall: Meeting Room 508

Language English

The world is going wireless. From IoT to personal communications to medical devices and beyond, wireless is being used more and more as the communications vehicle of choice. Are you using or considering using pre-approved radio modules?

Learn how in this seminar. [www.nemko.com](http://www.nemko.com) [1]
