We are located in Hall 3.2, Area A. Our stand number is H27 and we are looking forward to meet you.

Our wide scope of testing capabilities covers all ranges of luminaires. From simple table lamps to advanced street lamps or emergency lights.

Nemko follows the rapid change within the luminaire industry. As LED has taken more and more of our daily focus all over the world we are of course fully equipped to test everything from LED bulbs to new and innovative LED Luminaires.

Visit our stand to find out how we can help you and your products.

If you have any questions or would like more information, please contact [amy.huang@nemko.com](mailto:amy.huang@nemko.com) [1].
