

Webinar 10 July 2 pm/14:00 CET; CE marking - Important changes

Date:

Jul 10 2019

Time:

14:00

Language Undefined

This webinar will cover a number of changes being introduced now and in the upcoming months. These changes are for instance:

- Deadline for energy labelling registration, end of June for products sold up till December 2018
- RoHS - 4 new phthalates and open scope from 22 July
- Requirements affecting webshops decided
- Required responsible person for compliance documentation
- New energy requirements affecting numerous products
- and more ...

Join our webinar for a quick introduction and the possibility to ask questions!

The webinar is in English, is free of charge and lasts for approx. 30 minutes.

[SIGN-UP HERE](#) [1]

After completing your registration, you will receive an email with login details and you will also receive a reminder a few days ahead of the webinar date.

All registrants will receive a link to the live recording a few days after the webinar.

Would you like to receive invitations to future Nemko webinars?

The Nemko webinars will be hosted in English, and you will be able to access the recordings afterwards, so the latest updates about compliance related issues can be shared with your colleagues.
