

Household Appliance Testing and Certification

Smart technology & connectivity are the key drivers of consumer demand which enhances the requirement of product safety & EMC. But don't worry, you are not far away from the Nemko expert.

Nemko India offers testing on a broad variety of product categories within the household appliance & home appliance products and assists manufacturers & distributors with the challenge of entering the market as mandated by relevant laws and regulations. We test according to relevant international & national standards & also offer pre-evaluation of your products by testing in our in-house lab facility.

How Nemko can help:

1. Support you with new product development
2. Support you with worldwide [market access](#) [1] through Nemko Direct (excluding India) program.
3. Support you with reduction of time to market

Testing of Household appliance / Home appliance products at Nemko India include:

1. Air cleaning appliance
2. Range Hood
3. Dishwasher
4. Electric Iron
5. Fan
6. Grill/toaster
7. Microwave oven
8. Room heater
9. Shaver/hair clipper
10. Storage water heater, etc.
